In order to accomplish what we and our students set out to do, we need to work efficiently and effectively with our students in attendance. As always, we will work with the Mayfield High School Athletics on splitting time for practices if there may be overlaps in mandatory practices. As usual, if there is a mandatory game/match/meet that overlaps with a Band practice, students are excused from Band to go to their respective sport's game/match. Again, it's very important to note that we will succeed to our fullest with everyone in attendance. To help reach our future goals, we ask for your support and cooperation with our new Band Camp schedule. Because attendance at each rehearsal, sectional, and performance is expected, we respectfully ask that everyone inputs the information from the band calendar into their personal and family calendars to ensure everyone's attendance.

To help get an early start to scheduling our fall calendar, everyone can also enter into their calendars every Wednesday, from 6:00pm-8:45pm for our weekly Evening Rehearsals.
