- The St. Patrick's Day was an eye opening experience. What the parade committee told us vs. reality was a very different thing. We could have had parent chaperones. The kids enjoyed themselves.
- The jazz band played for the Community Leader's Breakfast.
- Overwhelming amount of positive feedback for the Nashville trip.
- Recorded in Studio B. Received a CD of the recording. Will rip into computer and post,
- Moving forward we have a busy end of the school year. Band finale on Saturday 4/30 in the stadium (bad weather – Wood gym and cafeteria).
- In the process of working on this.
- 3 days after that is 5/4 – spring concert.
- Jazz band is playing at the excellence reception and at graduation on 5/14.
- After the may concert we will spend the balance of the year working on next year's show. Working with this year's juniors trying to decide music. Would like to leave this school year as absolutely prepared as much as possible.
- Band camp is at the end of July (dates on the website).
- First game is the 3rd Friday of August which is before school starts. If we don't get enough done at camp, we will have to do work in August before school. We will be having Wednesday rehearsals in August.
- Everything is on the calendar (parades) except for the Mayfield Heights Community Unity days.
