Dear Parents and Students,

In order to help keep our band entrance and exits safe, while keeping the flow of traffic moving, we are requesting that all traffic (drop-off, pick-up, and parking) follows a specific plan that will divert cars away from our students walking. We are asking that all Freshman and Sophomores be dropped off/picked up in the North East staff parking lot, with all cars going in and out of the North entrance to the lot. All Juniors and Seniors should use the drive behind the school (along the field-house/South parking lot) to enter and exit the South East Pool parking lot for drop-off, pick-up, and parking. Please use the map below for specific driving/parking directions. Please remember to not drive, stop, or park in between the two parking lots.
