2016/2017

Concert Band Challenge Parameters

Band members seated in all 3 bands will have an opportunity to challenge other band members to “move up” in their placement. The parameters outlined below are the specific expectations for students wishing to challenge another band member.

Who can challenge?

Members of both the White and Green symphonic band will be allowed to challenge any member of the Wind Ensemble, excluding principal players. The player who scores higher on the audition will earn the spot in Wind Ensemble.

Members of all three bands will be allowed to challenge, within the band in which they sit, the principal player. The player who scores higher on the audition will earn the principal seat in that ensemble.

When can you challenge?

You are allowed to challenge another student after both the holiday and winter concert. You have **8 SCHOOL days** from the end of the concert to challenge. If you do not challenge before the end of those 8 days, you will lose your opportunity.

How do you challenge?

Any student wishing to challenge, either for principal seat or Wind Ensemble, will notify **Mr. Treiber directly**, in person. You will tell him who you wish to challenge. From that point, Mr. Treiber will notify the student being challenged, choose appropriate music and scales, and assign a time after school for the auditions. Students involved in the challenge will receive the challenge materials, in person, at the same time. Both students will be given the same amount of time to prepare before they play their audition.

Students wishing to challenge **should not contact** the student they are challenging **in any way** about the challenge. Tell Mr. Treiber you intend to challenge and let him notify the other student. Professionalism within all three bands is an expectation. If you choose not to follow the procedures for challenging another student, you will lose your opportunity..

Seats earned through successful challenges are secure until after the next concert. If multiple students challenge for the same position, the highest of all the auditions will earn the seat. The player being challenged will only be expected to play one audition.

BEST REGARDS,

MR. TREIBER, MR. FANCHER, DR. BRIGHT
