Drumline Auditions May, 2018

Percussionists & Percussionists' Families,

Drumline auditions this year, for the 2018/2019 season, will be held **during the school day**. With busy after school schedules and sports The PRIDE of Mayfield staff wants to make it as easy and hassle free for students, and their families, as possible.

Audition Dates:

- **Current 9th-11th Graders - FRIDAY, MAY 18th - Held 8th period @ Mayfield HS**

- **Current 8th Graders - MONDAY, MAY 21st - Held 1st period @ Mayfield MS**

All percussion students are required to prepare and play an audition. Every student that auditions will have a spot on the line, the audition process is to determine the best instrument fit for each student. Please understand that there are limited spots on each instrument, and it is necessary to properly balance the line.

***18/19 Seniors** - if you would like to continue on the same instrument you played on the line in the 18/19 season, you will not be required to audition. If you would like to play a different instrument, you will be required to play an audition.

Each student should be prepared to play: Provided Snare Drum Excerpt, Each student will audition using the snare drum excerpt regardless of what instrument they would like to play. Students should indicate instruments they are interested in playing when they bring back the bottom section of this form.

Please detach bottom section and return at the time of your audition
