2022/2023 PRIDE of Mayfield Drumline Clinics/Tryouts

Hello PRIDE of Mayfield Drummers,

It is time to start preparing for the next school year's marching season with DRUMLINE CLINICS and TRYOUTS!!

These clinics are for all drummers that are currently in 8th, 9th, 10th, & 11th grades. You will be working with our PRIDE of Mayfield Drumline Instructor Mr. David Jelen. Students that are signed up for band and are drummers will participate in these clinics that will ultimately lead to tryouts and part assignments for next the upcoming season.

****Please understand that students will not "choose" which instrument they play. They must demonstrate their skill during the tryout, and play the instrument that is assigned to them in order to have a balanced percussion section in the band.****

Instruments in the drumline: Snare Drum, Bass Drum, Quints, Cymbals

All Clinics and Tryouts will take place in the High School Band Room, Door #20 at the High School

Clinic Dates:

Tuesday, April 19th, 6:30-8:00pm
