SUMMER UNIFORMS + **Dinkles**

Hello PRIDE,

This Friday, August 27th, we will be dressing in our summer uniforms with your black dinkle marching band shoes for the game. I choose summer uniforms due to the expected high temperatures, high heat index due to the humidity levels, and the fact that we have a relatively long bus ride in un-air conditioned buses. Student comfort and safety is primary, but so is looking good and uniform.

Here's what you need:

- Your "Stronger Together" halftime show shirt on top
- Black athletic shorts on the bottom (just like summer parades)
- ****Your black Dinkle marching band shoes**** on your feet with black or white socks. (I know not the most stylish look in the world)

Call time is still 4:30pm as we need to load the buses and be rolling, also I want to make sure the trailer is set and ready to go.

If you have not done so, please go into schoology and sign up for your bus by midnight tonight or you will be placed on a bus.

Morning parade for drumline and auxiliary tomorrow, call 7:45am.

See you all soon!

MR. TREIBER
