Jazz Band Commencement Performance

The Jazz Band will be playing this Sunday, May 22nd at the MHS Commencement ceremony. Students should be dropped off at the side entrance of the Connor Palace on E. 17th St. at **12:30pm**. The band will play from **1:00pm** until approximately **1:40**. At **1:45**, non-graduating students can be picked up from the same door on E. 17th St.

Seniors: Find someone who can take your instrument home/back to school with them after your performance. The last thing you want is to have to worry about your instrument when you're busy celebrating your graduation!

I will bring all music in a big box, but you are responsible for your instrument. That means mouthpieces, ligatures, and reeds, too!
