July Band Camp Postponed

PRIDE of Mayfield Band Students/Families,

I hope that this letter finds you and your families well this summer amidst the crisis we are all faced with. At this time The PRIDE of Mayfield's July Band Camp dates and activities will be officially postponed through the end of July as we continue to monitor the situation and work to develop a plan for a safe and effective return to band this school year.

Mr. Palermo and I have been working with administration to look at options for structuring instruction for HS marching band in such a way that is safe and comfortable for the students and their families, as well as the marching band staff and instructors. At this time we are looking into a few different options for restructuring our normal band camp to fit our current needs.

Please expect a parent survey to fill out regarding band camp and marching band in the coming days as we continue to seek answers and work to develop a plan centered on best practices given our current situation. Student safety and family/student comfort with our plan moving forward is our primary goal, we strive to create an environment that will allow all band members to be successful as we continue to develop our core values of Performance, Respect, Integrity, Dedication, and Excellence.

The PRIDE of Mayfield Staff, Mr. Palermo, and I miss all of you and are eager to see you all upon our return as we start our work for this year's season. I understand that summer plans have been made and depending on our schedule moving forward in August some students may not be available, we hope to gain that input through the survey when it is released. At this time all we can do is remain flexible and adapt and overcome any obstacles that we may encounter.

Wishing you all the best,

MR. TREIBER, MR. PALERMO & THE PRIDE OF MAYFIELD STAFF
